

Minutes from July 7/19/2012 Crime Watch meeting

The meeting was called to order at 7PM. There were no corrections to the minutes from July so they were accepted as published. There were 11 persons present plus two guests.

Treasurer's report: No change.

President's report: Rita has completed a computer file with all published minutes and articles relevant to events in and around Greenhurst.

Secretary's report: Information on the NNO will be sent to the Summerville Journal Scene which has promised to include it in their Community Calendar.

Webmaster's report: NNO signs have been prepared and given out tonight to the members who put out the meeting signs. They will be taped onto the regular signs. Nick commented that the County road crew had done a nice job trimming brush and trees on Miles Rd. The Secretary reported her conversation with Steve Cohen about who is responsible for the mowing of the common area where the Greenhurst sign is located. He stated that it was NOT his Dept. and the Homeowners Association should take care of it or the homeowners next to the area. Even though I explained there was no Homeowner's Association he had no suggestions. I spoke to Code Enforcement for clarification and no new information came from there. The members suggested that I contact David Chinnis for a possible solution.

Old Business:

- Dave Williams will remain in the office of Treasurer. There were no nominations for Co-Ordination position so it remains unfilled.
- Signs for the NNO event will be put out on the 1st or 2nd of August. We will meet at Dave's home at 7PM. The Secretary will contact Old Fort Fire Dept. to confirm their participation.
