

MINUTES FROM MARCH 21st Crime Watch meeting:

The meeting was called to order by Nick at 7:02 PM

Treasurer's Report:

- Nick reported the Treasurer was absent because he had gotten a casting call from the CBS Drama "Reckless". His estimate of our account was \$780 minus \$85 for the website leaving \$695. We discussed a review of our finances in the next quarter to decide how to cover this ongoing cost.

President's Report:

- Rita said the Center looks better, less trash. Marina has been stopping at least weekly. Rita noted the grass and bushes are starting to get a little shaggy.

Webmaster's Report:

- He reported we had a few recent hits on the website.

Secretary's Report:

- Marina reported a large pot hole problem on Blackwell 14th was called in by her husband and within 2 hours the street was barricaded, traffic rerouted and within a few days heavy equipment was brought in to repair the large hole.

Old Business:

- Marina was reminded about the letter to Code Enforcement re: 119 Roberta Dr. being a health and nuisance hazard. She will complete this task before next meeting. Alec Brevner is in charge of planning for the County.

New Business:

- Approval was given for advertising on our website for landlords with vacant or for sale property.
- A discussion about trash in a ditch at 112-114 Terry and other debris in ditches in our subdivision resulted in a recommendation that we check ditches near us and report any big problems with trash to Code Enforcement.
- A SCG&E light pole was reported as being out. To report outages contact 843-851-4952 and report the pole number and location.
- Lt. Bense gave his report on local Sheriff calls in Greenhurst. Theft and burglary seemed to be on the rise while CDV has dropped recently. For complete report see the Greenhurst website.
