

Minutes from April 20th meeting

Minutes from March meeting were approved as printed. Dave opened the meeting at 7:03PM.

Lt Barnhill gave his report. Greenhurst has been quiet.

- 3/29 a 2000 jeep was stolen from Braly Dr.;
- 3/30 Terry/Braly Dr. the Saturation Team found drugs at this location;
- 4/7 at 1006 Miles Rd. burglary reported. The front door was found open when the occupant returned home. Weapons were missing. This was the 4th time this home has been robbed. Among the missing items were 2 pellet pistols, a Japanese rifle, and a 12 gage shot gun;
- 4/12 A suspect threatened another person by pointing a weapon .

Visitors: Jerry Wilkin, President of Lakes of Summerville CW and the Vice President Mr. Mac attended our meeting. They had comments on the new Carrington Chase Development and stated the plans call for 2 exits and that would include the exit onto Bailey which we are opposed to. Mr. Wilkins noted there has already been lots of damage in that area from big trucks .He believes despite the minimally accepted solution of a locked gate this will not take place because that spot is under Charleston Co. jurisdiction.

There were some comments from other attendees about underage youth riding motor bikes through the sub-division. The Deputy clarified this with a statement that under 21 must have helmets but under 50cc vehicle did not need this. He also spoke about a question regarding solicitors for ATT, must have business license.

Mr. Wilkins invited any interested attendees to come to Lakes CW meeting the second Tuesday at 7pm at the pool.
