

## Minutes from September 16<sup>th</sup> Crime Watch Meeting

The meeting was called to order at 7:04 pm by the Webmaster.

The Sheriff's Deputy was not present for the meeting.

Treasurer report: the treasurer was not present for the meeting however he reported that our current funds have increased to \$365.

President report: the tree limb in the center entrance of Greenhurst 3 reported at last meeting has been removed.

- Some discussion followed regarding how we mow the lawns on both sides of the sign. We used to have a young man who did the Greenhurst 3 side for a small fee, however he has moved away. We are looking for a volunteer. One of the officers has been mowing in the interim. A volunteer living in the Greenhurst 1 side has been mowing that center entrance.

Secretary report: Halloween decorations will be put up in October. The Secretary is facing more surgery shortly.

Webmaster report: He said we are still getting hits on our website and reminded us that current minutes, as well as County officials and county contact information numbers are listed there.

- Attendees were reminded that much of our yearly budget pays for our domain and website space. The Web Master will place a notice about National Night Out on Nextdoor.com.
- He explained how Nextdoor.com works for a new member who was present.

We were all reminded when calling 911 or non-emergency numbers from Greenhurst using a cell phone, you must let them know the call is coming from Dorchester County. This is due to many of the cell towers used in our neighborhood will send calls to the Charleston Consolidated 911 Center on Palmetto Commerce Parkway. As such there could be confusion in routing emergency services to us from the correct county.

New Business: We hope to reschedule National Night out for October 5th.

NEXT MEETING OCTOBER 21 at 7PM.

Meeting adjourned at 7:50pm.
